Women Transforming Myanmar

<https://wtm-nine.vercel.app/>

- Developed the **organizational profile website**.
- Primarily focused on **SEO with NEXT** and replicated the UI as exactly as provided design with responsiveness.

Projects

Portfolio

Myself

<https://ngwesinsandarnext.vercel.app>

After watching cyber punk anime, I really wanted to remake my portfolio with that theme.

Favourite Simps

[NextJS, Material UI]

[View Detail](#)

A lighthearted fan page celebrating favorite characters, built with a creative and fun approach.

Music Project

[HTML, CSS, JavaScript]

[View Detail](#)

An interactive music-themed web application for discovering and exploring songs. This music web app was inspired by a tutorial from MSquare's YouTube channel on building a music project.
